FROM THE PRINCIPAL – DR. REDCAY

Hello WHEC Families,

As we close out February, thank you for another fantastic month at WHEC. We are now looking ahead to the weather getting warmer and Spring slowly coming into view. Our students and staff are working hard in the classroom and doing such a great job in everything they are doing. Their excitement for learning and being a part of WHEC shows every day.

The second trimester will be coming to a close on Friday, March 1st, and the third trimester will start on Monday, March 4th. We will be sending report cards home with students on Thursday, March 7. Highlighting the start of March will be a new classroom initiative in partnership with Mama's Pizza. Pages to Pizza allows students to earn a free pizza for each month they spend reading. Grade-level goals will be set for the month, and families can work towards their goal...and pizza! More information will be coming from the classroom teacher in the following days. Please continue to check your Child's ClassDojo, as many exciting events and community opportunities are coming up in the next few months.

I hope everyone has a great month of March, and as always, we are here to support our students and families however possible. If you have any questions, do not hesitate to contact us in the Main Office or reach out to your child's teacher.

Take care-

Dr. Redcay

FREE PROGRAM FOR INCOMING WYOMISSING AREA KINDERGARTENERS!

Do you have a child in the Wyomissing Area entering Kindergarten in the fall of 2024? Then this is for you!

Join us for a **FREE** program at Wyomissing Hills Elementary Center on Wednesday, March 20, 2024 from 4:30pm-6pm or Thursday, May 30, 2024 from 4:30pm-6pm.

Spartan Sprouts is a program designed specifically for incoming Kindergarteners to introduce strategies and activities that can easily be done at home and will help prepare the children for school in the fall. The event includes hands-on activities and a Wyomissing Area swag bag filled with all of the materials and instructions necessary to continue to practice at home.

We cannot wait to meet our future Spartans and their families at this fun-filled event!

Reserve your spot today for one of the sessions at this [link](#).

MARCH MADNESS TOURNAMENT OF BOOKS

It's that time of the year when we dive into the joy of reading with a dash of friendly competition! Our highly-anticipated March Madness Tournament of Books will kick off on Monday, March 4th. This year, we're thrilled to feature the fantastic, whimsical world of Ross Burach in a head-to-head battle that will feature only his delightful books!

Just like in previous years, everyone will have the chance to cast their votes for their favorite books in each round. The tournament will unfold through exciting elimination rounds, leading us to the grand finale where the ultimate champion Ross Burach book will be crowned. Join us for this literary rollercoaster, and mark your calendars for the special ceremony on Thursday, March 21st, where the best book will triumph!

So, fasten your seatbelts, embark on the Ross rollercoaster, and let the excitement of reading take over. May the best book win!

March is National Nutrition Month!

Eating healthy and exercising are the best ways to keep your body healthy.

Here are 5 health tips:

- 1. Drink more water.**
Quench your thirst with water instead of sugary drinks. Flavor your water with strawberries, lemon, or cucumber to make it more interesting.
- 2. Eat Breakfast.**
Start your day with a healthy breakfast that includes lean protein, whole grains, fruits, and vegetables.
- 3. Make half of your plate fruits and vegetables.**
Fruits and vegetables add color, flavor, and texture plus vitamins, minerals, and fiber to your plate. Make 2 cups of fruit and 2 ½ cups of vegetables your daily goal.
- 4. Enact family time.**
Plan to eat as a family as many times as possible. Turn off the TV, phones, and other electronic devices to encourage mealtime talk.
- 5. Be Active.**
Regular physical activity has many health benefits. Children should get 60 or more minutes of activity a day. You don't have to hit the gym – take a walk after dinner or put on some music and dance at home.

Classroom Guidance Lessons for February

The school counselors teach classroom lessons which focus on social, emotional, behavioral, and career skills and growth.

Kindergarten learned about identifying and expressing feelings and using coping skills to manage feelings through reading *The Way I Feel* and doing an art activity

First Grade learned about identifying feelings through facial expressions and body language using the Color Monster friends.

Second Grade practiced identifying feelings by how they feel on the inside of their body with a teamwork activity.

3rd Grade began our unit on Career Exploration! Our lesson focused on what the word "career" means and some examples of what students want to be when they grow up. Students completed a rating scale on a few work habits that they are practicing now as third graders that will help them no matter what they decide to do when they grow up!

4th Grade continued to focus on careers in February. We first learned how to learn more about careers through research and asking questions. Students were challenged to name a career for every letter of the alphabet! Later in the month, we applied our goal setting knowledge to careers. Each student identified a career that was interesting and motivating to them (long-term goal). Then, they set two short-term goals and a plan on how to accomplish each.

Spartan Skills

March's Spartan Skill is Growth Mindset. A growth mindset is believing that you can get smarter and better at things by trying hard, practicing, and not giving up. It's like knowing that your brain is like a muscle that can get stronger when you exercise it. So, even if something is difficult at first, you believe that with effort and learning from mistakes, you can improve and succeed.

ATTENDANCE INFORMATION

Phone calls to report absences are no longer required. Please utilize our email to communicate: whec-attendance@wyoarea.org

Please do not call or email the school office after 12:00 p.m. to change after-school plans for your child unless it is an emergency.

Students wishing to be excused for educational experiences such as non-school sponsored vacations or trips must secure a request from the office. The form can be found at https://whec.wyoarea.org/for_parents/forms.

This form will be completed by the parent/guardian and then returned to school at least one week before the scheduled event. A maximum of five cumulative days will be allowed consecutively in one school year with a maximum of ten days total.
